

HiTable: Slate PerfectSense (outer), Flame Designer Finish (inner), Ligni stools: Crest Shelly Black leather.

HiTable™

Boyce.

HiTable: Tobacco Halifax Oak 3D tops and edges, Slate metal. Bench seats: optional cushion Agua Buro Olive. Lofti stools: Agua Buro Tomato

HiTable: White Halifax Oak 3D tops and edges, Black metal. Bench seat: Oxide Red Designer Finish, Black metal. XRB1ST stools: Red

HiTable comprises poseur height and desk height tables, supported on either panel ends or metal frames.

With panel ends, choose either a uniform finish, or two tone inner/outer combination. Matching bench seats, with optional cushions, are available to suite with desk height panel end HiTables.

Metal frame tables feature a distinctive architectural cross brace that ensures immense

rigidity. Metal frames are available in all our standard metal finishes.

Edges match the top finish by default, or may optionally be specified in faux ply. Flush-fitting data, USB or wireless charging ports can be fitted to any table surface.

High

Low

HiTable: Slate MFC (outer), White MFC (inner). Bench seat: optional cushion Agua Buro Olive. Lofti stools: Agua Buro Tomato
